CHURCH NEWS.

Next steps for the Benefice.

Following a meeting in September with the church PCCs, our patron & the Archdeacon the process for appointing our next rector was explained, it's quite complex, involving careful thought and much prayer.

Our patron, the Martyrs Memorial and Church of England Trust (CPAS) plays an important part in selecting and shortlisting candidates but the church PCCs are able to endorse or veto and the bishop has the final say. The whole business can take a year or even 18 months, but sometimes it's much shorter, depending on available candidates.

Part of Preb Jan's time involved working with Bath Spa University where she served as chaplain, it's likely that role in future will link to one of the Bath churches.

The new incumbent will continue to serve our trio of parishes, but the remaining part of the job has yet to be finalized by the deanery; meanwhile the most important task for us now is to prepare a Parish Profile, a sort of job description involving our three parishes.

It includes the things for which we are most grateful to God, things that seem to be working well and areas where we are struggling. It should give some idea of how we see our churches developing and the qualities we are particularly looking for in the successful applicant.

The rector is an important part of the community as a whole, and he or she doesn't just serve the churchgoers. Everyone is warmly invited to have a say in any aspect of this and it would be great to have your views. Please contact either Chris Lovell (chrislovell@doctors.org.uk), Judith Haywood (jjtallhouse@gmail.com) or one of the churchwardens with any comments, (details page 3).

Prayer for the Interregnum

GOD OUR FATHER
You have welcomed each one of us in Jesus
and called us to be His Body in this place;
Send us your Holy Spirit,
at this time of uncertainty and change,
to fill us with vision, energy,
and faithfulness in prayer,
that we may be true to our calling
to bring new life to our community;
And guide with your heavenly wisdom
those who are to choose a new Incumbent for this parish,
that the one whom we receive
may be a wise and gentle shepherd of your people:
ready to serve us with joy,
to build us up in faith,
and to lead us by example
in loving obedience to your son,
our Saviour, Jesus Christ. Amen

During the interregnum

ENQUIRIES about baptism, confirmation and weddings should be made by contacting one of the Churchwardens in the relevant Parish.

AND SAY HELLO.

If you have new neighbours, please let a Churchwarden know so they can receive a copy of Trio & a ‘hello’ from the Church family.

Letter from the The Rt. Revd.

Ruth Worsley

Bishop of Taunton.

October 2020

I was expecting to be on sabbatical as I write this but of course you will all now be aware that Bishop Peter is receiving treatment for leukaemia and thus I am back in the diocese. He is as cheerful as ever and very much values your care, thoughts, prayers, cards, flowers and so many warm messages. Thank you! Please keep praying for him, Jane and the family.

Coping with the 'unexpected', whether it is news about health, the pandemic or a personal diagnosis like +Peter's; or a change of plan such as my sabbatical, can set us in a spin. We don't always know how to respond. It requires us to adapt, to change, to rethink how we will live.

I'm reminded of the story of Elijah who felt overwhelmed by the circumstances around him. A national drought both from rain and faith left him feeling vulnerable and alone. And although God made Himself very evident in the events of Mount Carmel, Elijah still felt under siege and fearful, wanting to die rather than face the wrath of Jezebel. And so he ran! And in the book of Kings we find God meets with him. First of all bringing him refreshment of body and mind through sleep and food. And then, when his well-being is restored, he discovers the voice of God, not in the strength of storm or wind but in a 'still small voice'.

I wonder where and how you might hear the voice of God? Across the diocese we are entering into a listening project to hear what God might be saying to us, in and through the strange times in which we now live. We welcome your thoughts so please do share them with us.

Praying God's blessing on us all

Bishop Ruth

Weekly Planned Giving Envelopes for All Saints

To all present users, you will be aware that the present series finishes at the end of the September. The Covid situation has meant that collection of these envelopes hasn't been possible in the usual way. However, many of your envelopes have reached me in various ways and some users have switched to standing order to ensure your gifts reach our church funds, for this I am grateful. At the time of writing, the new sets of envelopes have yet to arrive, slowed no doubt by the present Covid climate. As soon as I receive them, I will be in touch to check whether you would still like to donate in this way and will get the envelopes to you. Of course, I am always happy to come and collect if used envelopes have accumulated.

The weekly envelope scheme has been operating for many years and is a regular way of putting aside your gift for church funds. If there is anyone who would like to join the scheme, please do give me a call. Meanwhile as soon as the envelopes arrive, I will let you know.

Again, my grateful thanks for getting your donations to me during lock down.

Jan Jones Treasurer All Saints 01761 750840 07773345507 jeannette.georgina@gmail.com.

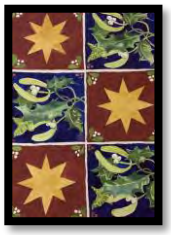

Christmas is coming…

At the moment, coffee mornings aren't possible, but if anyone would like to think about ordering Christmas cakes or puddings, mincemeat, traybakes, shortbread or home-made bread in time for the festive season, we are hoping to provide these to order. Price lists will be in next month's TRIO, or contact Gill Hurley (01761 472747) or Judith Haywood (01761 470317) - in aid of church funds.

As for cards, we can provide mixed packs: 5 cards for £2.50 all proceeds to St Peter's , Marksbury

The next Meeting of Marksbury PCC will be on October 7 at 7p.m. in church.

'A gossip is someone with a great sense of rumour'.

In our Prayer Diary this month we pray for the homes and families in the area from Whidcombe Farm down The Street past the Village Hall as far as The Green.

In the Lectionary this month we remember: -

On October 6 **William Tyndale** was born in about 1494 in Stinchcombe near Dursley in Gloucestershire. He became an English scholar and was a leading figure in the Protestant Reformation. He is best known for his translation of the Bible into English at a time when anyone found in possession of an English translation was liable to be executed. He was fluent in French, Greek, Hebrew, Latin, German, Italian and Spanish. He said, "We had better be without God's law than the Pope's". Tyndale defied the Pope. He said, "I will cause the boy who drives the plough to know more of the scriptures than any priest." In 1523 he sought permission from the authorities to translate the Bible into English. This was refused, so he left for Europe and in

1526 published a translation, but it was ordered to be burned. Condemned as a heretic by Cardinal Wolsey and Thomas More, he was tried in 1536, and executed on October 6. Within a few years the English translation was published at the King's behest including Henry's Great Bible and the Book of Common Prayer based on Tynesdale's translation.

On October 26 **Alfred the Great** was born in Wantage, Berkshire in around 848, the youngest son of the King of Wessex. His father died when Alfred was young, so he became King of Wessex in 871, then King of the Anglo-Saxons (England) from 886 to 899. He spent many years fighting Viking invasions until he won a decisive victory against the Vikings at the battle of Edington in 878 and made an agreement with the Viking leader, Guthrum which became known as the Danelaw. He oversaw the conversion of Guthrum to Christianity. Alfred defended his kingdom against Viking attempts at conquest. He was learned, merciful, gracious, level-headed and encouraged education. He proposed that primary education be conducted in Old English rather than Latin. He improved the legal system, military structure and the quality of life for ordinary people. He died on October 26 899.

It is with sadness that we record the death of **Mrs. Rose Curtis** on September 4. Her funeral at Marksbury church will be on September 30 at 1 p.m. in the presence of her family. Rose took a full part in village events in both Marksbury and Farmborough and had worked faithfully as school caretaker at Marksbury for many years until her retirement.

We send our love and sympathy to her family and friends.
May she rest in peace.

We hope to add tributes to Rose in the next TRIO.

Farmborough & Marksbury Schools

TERM STARTED FOR PUPILS ON SEPTEMBER 3rd

https://www.farmboroughchurchprimary.org.uk/
https://www.marksburyschool.org.uk/

Both Schools have welcomed pupils back & are delighted how ready they are for the challenges ahead over the next 2 terms.

They would especially like to say 'a massive warm welcome to our new Reception children, we have all been so impressed with how they have settled in'.

Schools have an open-door policy (albeit virtual at this precise time!) & have said in their newsletters "*Please remember that we are here to help, so don't hesitate to contact us via phone or email if there is anything you would like to discuss; working in partnership to support your child is so important – here's to another great year together. Thank you for all of the great feedback and continued support.*"

Time never stands still so both schools **announced news** affecting staff in December!!

At Marksbury the news is… 😊 'As some of you may have already noticed… Katie is pregnant.
We would like to wish her and her family huge congratulations and we look forward to meeting the new arrival in December'.

😢 ….. While at Farmborough they were very sad to announce 'Mrs Roberts, our Deputy Headteacher and SENCo, will be retiring at Christmas.
She is one of our longest serving members of staff and is going to be greatly missed by our school community'.

Activities on school sites over the Summer to be ready for the new academic year…

Farmborough

OUTDOOR ACTIVITIES ENHANCED

During the summer break a couple of additions were made to our field to enable more activity to take place. We used a large proportion of our Sports grant to have a Redgra running track and outdoor fitness equipment installed, they are already getting plenty of use.

At present, it is even more important to be active and get outside and these will ensure that can happen whatever the weather. Many thanks to Mrs Gray and Kieran for putting so much in place to keep the children happy and active.

Marksbury.

OUTDOOR PLAY AREAS READY FOR USE!!

High Pressure: Gareth & Charlie used a high pressure, steam jet to hose down the playground. It looked like a lot of fun even though they said they were working hard!

Thank you Gareth & Charlie

The new Reception children have been really busy getting to know each other, learning about how to protect themselves and their space as well as lots of outdoor learning, enjoying exploring their surroundings.

'Kids Make Nutritious Snacks.'

'A talk on drugs will be given at the next Mothers' Union meeting. This will be followed by a bring & buy sale.'

COMMUNITY UPDATE

Some activities have restarted in our Halls but under strict Covid secure guidelines.

MEANWHILE others continue via zoom!!

Farmborough Hall update & thank you....

As mentioned in last month's Trio the Memorial Hall is opening again slowly in line with Government regulations however as a Hall committee we know we must continue to update the facilities so we're delighted to announce that the kitchen is being refurbished, the bar area will have a water heater allowing for hot drinks to be served from there & the underside of the front canopy is being replaced to smarten up the external appearance as you approach the Hall, all this will happen in the next couple of months.

We are able to do this due to **very generous donations** [**over £6K** in total] **from residents** & **the Goodwill Club** & we really appreciate this support & **thank them** for their generosity, this allows us to move forward with our plans despite very restricted use over the last few months.

We have had to cancel our October Craft Fayre & the Quiz night usually held in January but **plans for Fund Raising in 2021 include a Craft Fayre on March 6th** & we will be looking at further events which may have to run in a different manner to previous times, depending on the guidance at the time.

Finally a thank you to Phil Gray from all the committee for all he has done to ensure we are 'Covid Secure'.

Bath & Wells Diocese NEWS…

manna The Manna magazine has now changed to a monthly mailing format rather than a quarterly magazine from the diocese & is issued to Parish Magazine Editors for inclusion in their magazines.

Interview - Faith and farming

Farmer Rob Walrond is the diocese's rural affairs adviser & Churchwarden for St John the Baptist, Pitney.

How does faith and farming connect for you?
Around 30 years ago my faith reignited and I gained a greater understanding of creation and my place in it. I came to acknowledge that the success or failure of my business wasn't a reflection on how good a person I was or how successful I was.

Why do you farm organically?
As my respect for creation grew I felt my role as a steward of creation changed. It was not about what I could get out of the land but more about how I could work with the land.

Does your faith help you with farming?
I still get mad when it rains just before harvest or if I am up to my knees in mud, but my faith helps me look at things with a wider perspective.

Has the pandemic created any particular problems for farmers?
Most have coped really well, but with so few social opportunities the closure of markets and agricultural shows has had an impact. Farmers are used to working in isolation, but we all need social contact.

Do you think people's view of farmers has changed?
One farmer said, "We've gone from being an unwanted nuisance to being key workers." If we can get a greater appreciation of our food, the work that goes into producing it and the provision and generosity from God in providing the harvest, that would be one of the good things that comes out of Covid.

News in brief from around the diocese.

Tackling modern slavery together
Volunteers from across the diocese are being trained up by Hidden Voices Somerset (HVS) to support victims of modern slavery and exploitation in Somerset.

HVS is facilitated by the diocese with The Clewer Initiative. It's a local response to modern slavery and exploitation concerned with the provision of victim support and building a self-sustaining anti-slavery network across Somerset.

To find out more about the issue of modern slavery visit www.theclewerinitiative.org To find out how you can play your part in challenging it locally, including volunteering and local training opportunities, contact david.maggs@bathwells.anglican.org.

Petertide Ordinations
With the Covid restrictions in place, ordinations in the diocese may have been delayed, but following a series of services across the diocese during Petertide we now have 18 new deacons and 12 new priests.
The ordination of the deacons took place at Wells Cathedral, with the priesting taking place in three parish churches, one in each archdeaconry. With only 30 people able to present at each service, it was still not the usual gathering of friends and family in person, but many were able to witness the joyful event on-line.

The tale of the RICH FOOL

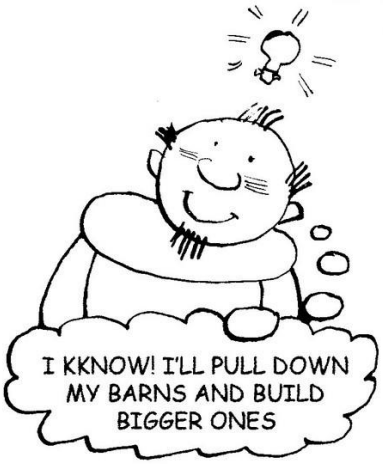

JESUS OFTEN TOLD STORIES WITH HIDDEN MEANINGS

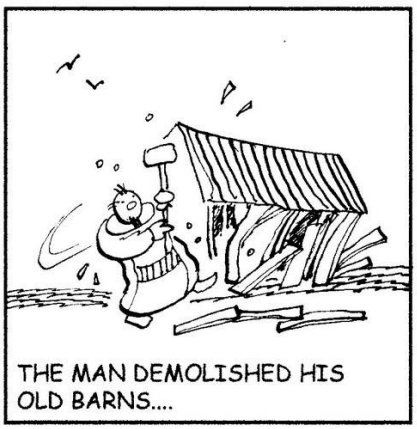

ONE STORY WAS ABOUT A MAN WHO HAD LOTS OF LAND WHICH GREW WONDERFUL WHEAT.

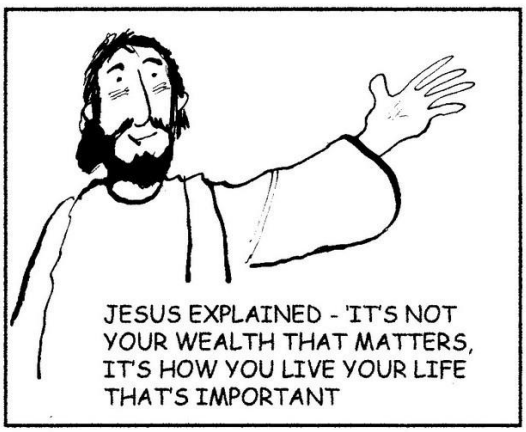

Bible Bite

A short story from the Bible

It can be read in the Bible in Matthew 24:44-51, Luke 12:40-46

Jesus warned his disciples to be always ready for his return at the end of time by telling the story of two servants

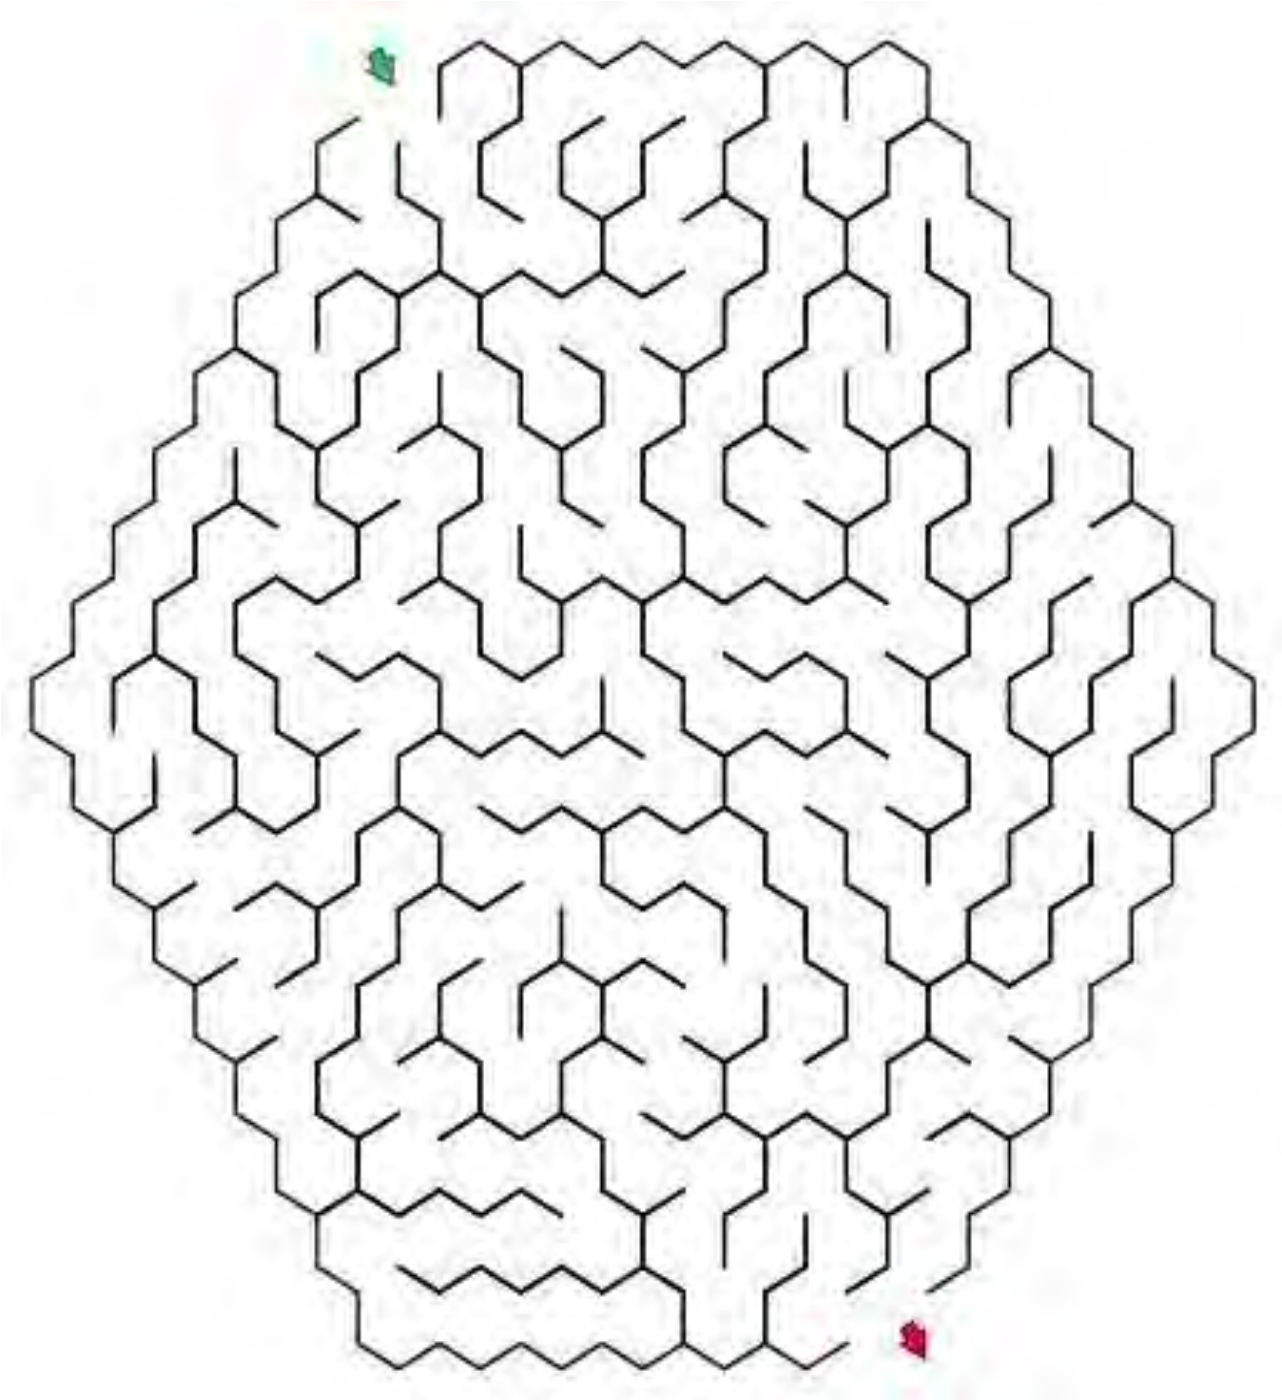

'The church will host an evening of fine dining, super entertainment and gracious hostility.'

PUZZLE SECTION!

Have a go this is a new section which I can keep if people wish, feedback welcome.

MAZE – can you find your way out!!

Wordsearch - the words are in the text!

All Hallows Eve – or Holy Evening

Modern Halloween celebrations have their roots in pre-Christian times. In those long-ago days, on the last night of October, the Druid priests celebrated the Festival of Samhain, or 'Summer's End'. They lit great bonfires and performed magic rites to ward off the dark supernatural powers of oncoming winter. Today, Christians turn to prayer instead of charms to overcome the powers of darkness. And the deeper, true meaning of All Hallows' Eve, should not be forgotten. As Christians, we all draw closer to Christ when we remember and give thanks for our loved ones and for others who have gone before us through the gates of death.

But if you're stuck the words to look for are on the next page!!…

All, Hallows, Festival, Halloween, Druid, Priests, Samhain, Bonfires, Magic, Dark, Supernatural, Powers, Winter, Christians, Prayer, Charms, Deeper, True, Eve, Closer, Christ, Thanks, Loved, Death, Gone.

Sorry

Our minister, an avid golfer, was once taking part in a local tournament. As he was preparing to tee off, the organiser of the tournament approached him and pointed to the dark, threatening storm clouds which were gathering. "Sir," the organiser said, "I trust you'll see to it that the weather won't turn bad on us."

Our minister shook his head. "Sorry," he replied. "I'm in sales, not management!"
