FARMBOROUGH COMMUNITY PLAN

Dear Resident

Enclosed is a copy of the Farmborough Community Plan for your household.

Due to various unforeseen circumstances it has taken rather longer to compile this document than originally envisaged by the Steering Committee, who have been responsible for bringing it together.

Inevitably, since its commencement some changes have taken place within the village and in particular significant development has occurred. Nevertheless, the Plan is an important document for the future of our village.

This Community Plan is based on the responses received from residents as to individual hopes, concerns and aspirations for the village. This document therefore belongs to all of us. But it is only a starting point.

In order for the Plan to be successful and for the village to achieve any of the changes and improvements identified in the detailed Action Plans within it, it will require the commitment and drive of many people in the village.

Please do read the Plan. If you would like to be involved with any of the issues addressed, contact the Local Lead identified against the particular action or alternatively, the Parish Council.

Yours sincerely

The Steering Committee
