THOSE MEMORABLE SCHOOL REPORTS...

What did your teachers say about your progress at school? The following were sent into the Daily Telegraph some years ago....

~ One of my French reports simply said: 'Sheila attended the lessons'. - Sheila Blow, Surrey

~ My housemaster wrote: 'He has an overdeveloped unawareness.' - Ian Jones, Wirral

~ A friend's son's report said: 'By the time he has mastered French, he will be too old to cross the Channel.' – M Knaggs, Dorset

~ My teacher was a realist: 'I am sorry to have to tell you that he is doing his best.' Stan Proctor, Surrey

Reports

All Church APCMs have taken place…

Each reflected on the biggest decision they had to make in September of last year which was to appointment Reverend Guy Martin Scott as our new Rector.
A decision which was met with joy and some relief!

At the meetings Revd Guy reminded us that the APCM is an opportunity to look back over the past year, to celebrate the way that God has been working *through* our church and thank those who have worked so faithfully *in* our church.

Revd Guy took the opportunity to thank every single person for the roles they had have played in being beacons of the light of Christ over the past year. He then encouraged us all to be looking and praying for where God is leading his church and actively take steps to move towards this.
He explained that, working with the PCCs, establishing good leadership & in keeping with his rôle as a Pioneer in the Deanery, during the coming year he will be working to set a vision for the church; exploring our foundation as a *community* and asking: where is God calling us to step out in faith to serve our local community; how is God wanting us to grow together as a church community; and what can we be doing to deepen our communion with God as a worshipping community to ensure we are primarily pro-active, not reactive.

At all the annual meetings churchwardens were re-elected, members appointed to the relevant PCCs & officers re-elected, see details page 3, all reports were adopted.
David Robertson was commended for auditing the accounts by both Farmbororough & Marksbury PCCs & they are delighted he is willing to continue as auditor.

At Farmborough Lisa Hegan & Emma Cook tendered their resignations from the PCC, Lisa had undertaken the role of secretary for several years & at Marksbury Audrey Ladeveze also resigned after 26 years on their PCC, all were thanked for their invaluable service.

At Farmborough & Stanton Prior both elected two new younger members to their PCCs, Charlotte & Ed Strange at Farmborough while Katie Kitchener & Gabriel Hardwick joined Stanton Prior PCC.

THE BELFRY BULLETIN

THE ringing of peals and quarter peals is an excellent way to mark significant events so it was agreed to dedicate the peal rung on Saturday April 2 2022 to the memory Michael Horseman who died on July 6 2020 at the age of 87.

Michael was an integral part of the All Saints' community, and contributed an immense amount to parish life. As a bell ringer at Farmborough for almost 60 years he encouraged ringers to achieve the highest possible standard of ringing and under his guidance striking improved and new methods learnt.

The memorial peal of 5040 changes of mixed minor (2160 Cambridge Surprise and 2880 of Plain Bob) was rung in 2 hours 37 minutes by Nicki J Lang, Patrick C Bridges, Thomas G A Wareing, Adrian P Beck, Nicholas C Field and Josh D P Jones. Robert Perry, who was unable to ring due to unforeseen circumstances, wishes to be associated with the event.

Rounds, call changes and plain hunt was rung prior to a service of Holy Communion on Sunday March 6 2022. It was also rung for peace and in solidarity with the people of Ukraine who are fighting for their country, for Europe and the world. A **donation of £100.00** has been made to the **DEC Ukraine Humanitarian Appeal** from the Tower Fund Account. The Ukraine flag flies over the tower in place of the pennant.

SPY WEDNESDAY

A confession – when I saw the term "Spy Wednesday" in last month's list of services for Holy Week, I thought it was a typo! I was wrong. Spy Wednesday is another name for Holy Wednesday (or, in the Czech Republic, Soot-Sweeping Wednesday, when you clean the chimney for Easter!). "Spy" refers to Judas Iscariot, a trusted disciple who had travelled and worked with Jesus for three years, but then betrayed him to the Temple authorities who were plotting to have him killed. In the Roman Catholic and Orthodox traditions, it is a day of fasting, like Ash Wednesday and Good Friday.

You live and learn. Chris Lovell.

Thank You to all who have supported the following ....

Malmesbury Community Choir made a return visit to Farmborough Church on 26th March and presented yet again an uplifting programme of music. Laurie Jones in his inimitable style kept the evening lively but there were also thought provoking moments especially during one item when a large Ukrainian flag was displayed at the back of the choir.
The soloist Toby performed songs from the shows and encouraged the audience to participate and the children present to dance.

Refreshments prepared by church members were shared after the concert which made the evening a very social event. A very large Easter egg had been generously given to be raffled and all in all the evening raised **£930** which will go toward the cost of the new gas boiler recently installed in church.
All agreed it was a thoroughly enjoyable occasion and there were many requests for the choir to come again in the not too distant future. JGJ

MARKSBURY COFFEE MORNING

PARKING SPACE.

Angus was driving down the street worried because he had an important meeting and couldn't find a parking place.
So, looking up toward heaven, he said
"Lord, take pity on me.
If you find me a parking place I will go to church every Sunday for the rest of my life and give up whisky."
A moment later, miraculously, a parking place appeared.
Angus looked up again and said,
"Never mind. I found one."

Talent and Trading Group

Thank you to all who helped in any way to make our first event this year such a success, £736 including some generous donations was raised at the Soup Lunch on March 26th for the Family Centre for deaf children. The inspiration to support this charity is Archie Hardwick who, with his family, has benefitted from the Centre which is based in Westbury on Trym, Archie's grandmother Valerie has been a great help & so for the next event we are spreading our wings a little to hold a CREAM TEA at Stanton Prior on Saturday July 2nd from 2.30pm, further info on page 9.

High Littleton Scouts 160KM Cycling Challenge

10 scouts from High Littleton Group will be taking on the challenge of the Devon Coast to Coast cycle route. This will take them on a 160km route from Ilfracombe to Plymouth. It will be taking place from Saturday 30th April to Monday 2nd May. This route cuts the edge of Exmoor and Dartmoor so as well as the distance there are a lot of hills to climb. The Scouts will be paying for the cost of the trip themselves, therefore all the money received via sponsorship will go directly to the scout group.

On the same weekend, the rest of our Scouts together with the Beavers and Cubs sections have been challenged to take part in an alternative challenge held at Odd Down Cycle Track at Bath. Here they will try to complete as many laps of the 1.5Km cycle track as they can in 3 hours.

Both challenges have been set to raise funds towards the running costs and loan repayments on our hall which we were able to purchase last November. The Methodist Church sold us the hall with the instructions to keep it as a village asset. So to help us achieve this, for us as Scouts, the pre-school and other community users of the hall, all sections of the scout group are undertaking the cycling challenges.

High Littleton Scout Group is now stronger than ever, with 100 young people attending on a weekly basis. Our catchment area is wide, with scouts from Timsbury, Farmborough, Farrington Gurney and of course High Littleton all enjoying the fun while learning skills for life.

If you would like to support the group as a whole and make all the scouts efforts worthwhile please donate using our online fundraising page, visit bit.ly/HLSGCycling.

Throughout the weekend, we will be providing updates on our Facebook page. Why not go give us a 'like' to ensure you stay updated. Visit: facebook.com/hlscouts

Thank you in advance for supporting this event & we were delighted that the recent Plant, Cake & Jumble Sale raised over £500.

For all the Saints

Spotlighting a brave life this month

This month marks the church's commemoration of **John Wesley** the founder of Methodism. Here are five lesser-known facts about him.

1. **John Wesley wrote one of the all-time bestselling medical texts.**
Wesley was deeply convicted that God is concerned about our earthly life as well as our heavenly one. To that end, he wrote a medical text for the everyday person detailing the current knowledge about home-remedies. It went through 32 editions, making it one of the most widely read books in England.

2. **He coined the term "agree to disagree."**
Wesley had serious theological differences with another preacher named George Whitefield. Though they both argued passionately, Wesley reflected on these and coined the term. It was a hallmark of Wesley's way of holding to his convictions while remaining in connection with those with whom he disagreed.

3. **He rode far enough on horseback to circle the earth 10 times.**
Wesley rode 250,000 miles! He was convinced that it was important for him personally to spread the gospel through relationships and continue to grow closer to God in those relationships.

4. **Wesley counselled people to "eat a little less than you desire."**
Staying slim was far from Wesley's goal. He did not diet, but rather believed that people should curb their natural desires.

5. **Methodism grew from four to 132,000 members in Wesley's lifetime.** The beginning of Methodism was a group of four who called themselves the "holy club" at Oxford. When Wesley died in 1791, he left behind a movement with 72,000 members in the British Isles and 60,000 in America.

NOT EXPECTING THIS.

The young minister took his wife to the Maternity Hospital and was told it would be a long labour. So, he agreed to ring at lunchtime for news.

But when he phoned, he dialled the wrong number and got the County Cricket Ground.
He said: "I brought my wife to your place early this morning. Is there any news?"

He was surprised to be told:
"Yes, there are seven out and the last two were ducks."

Interview

A breadth of experience.

Our new Safeguarding Manager, Ben Goodhind, shares his thoughts on how safeguarding is supported across Bath and Wells.

How does your probation background help you in your new role?
Many people don't realise that the Probation Service was founded by Church of England court missionaries in 1907, so unsurprisingly, it helps a great deal. Not only have I managed, and risk assessed many who may seek to cause harm, but I have also supported thousands of people in making significant changes to stay safe and move on a different path.

What has surprised you most in your role?
My biggest surprise was just how good a safeguarding team we have. By this I mean the hundreds of voluntary Parish Safeguarding Officers (PSOs) from backgrounds including education, nursing, criminal justice and law and also the professionalism of my own team. Their breadth of experience in the police, probation, prison and social work would be the envy of many statutory teams.

How important are Parish Safeguarding Officers?
PSOs are the key to everything we do as a safeguarding team and as such I have made supporting them the key priority. I have so much respect for them and the fact they choose to give their time freely to protect others.

How can we all play our part?
By viewing safeguarding as a part of our faith and, when things don't look right, always challenge them. Educating ourselves on safeguarding with training is vital and keeping up to date with wider topics in the media is also helpful.
