Jubilee celebrations will be taking place throughout the Benefice, keep an eye out for activities near you!!!

At Stanton Prior the Village Hall & surrounding area is the focus for their activities. On the Friday evening (3rd) they will be celebrating with a BBQ & Drinks while on the Saturday (4th) events in London will be screened for all to see.

In Marksbury, again the Hall is the focus, this time on the Sunday (5th) for a Jubilee Lunch & Street Party. Bring your own lunch but cakes, tea and coffee will be available in the hall, starts 12noon.

Jubilee Celebration!

On **Friday 3 June, from 2pm-5pm**, there will be a Jubilee Celebration held in **Farmborough Memorial Hall**. There will be a variety of crafts and activities for all ages, games to play, a BBQ and a bar, as well as the thoroughly British pastime of drinking tea and eating cakes which you can eat whilst watching the Queen's coronation on the big screen. Alongside all of this is our Jubilee Bake Off! The rules are simple: bake a cake of no more than 3 tiers and bring it along to the Memorial Hall by 3pm on the day before our guest judge determines who is Farmborough's Jubilee bake off winner! Entrants will be judged on presentation, texture, taste, and how well it fits into the theme of 'Jubilee' and there will be four age categories – under 8s, 8-12 years, 13-16 years, and 16 years and over.

With help from a grant from the Parish Council, it promises to be a fantastic event for all the family – we look forward to seeing you there.

Letter & Reports

A steadfast Queen,

an eternal God

HRH Queen Elizabeth II
celebrating a lifetime of inspiring service.

Copyright: Press association

As we enter the month of June there is one thing that stands prominently on the horizon – the Queen's Jubilee celebrations. It promises to be a great time of festivities with organizations from across the benefice putting on events to celebrate the 70 years the Queen has been on the throne.

I cannot help but be in awe of what an achievement that is – 70 years as the Queen of the United Kingdom of Great Britain and Ireland. For most of us, we'll have a career that spans no more than 40 years (if we're lucky – or unlucky depending on the career!) and within that we will likely move departments or get promotions that change the role we have within our career. The Queen has had the same role – serving this country – for nearly twice that. An incredible achievement for an incredible monarch.

The steadfast nature of Queen Elizabeth II is a wonderful reminder of the steadfast character of God who is the same "yesterday, today, and forever" (Hebrews 13.8). This means that God's desire for us to have life in all its fullness will never change; his love for us as his children will never change; and the hope that he brings for this life and the next will never change.

As I write this letter the first few Ukrainian families are moving into our villages. For them, there has been so much change and upheaval. The same could be said for the homes who are so generously taking them in during their time of need. Our lives are not steadfast, they are not a straight line from beginning to end. We will experience highs and lows, there will be good times and bad, but in both the joy and the sadness, amongst the certainty and doubt, God is there with you and will always be there with you, now and forever. Amen.

The graffiti below read: Still waiting for the Stafford bus.

Marksbury PCC

"Since our APCM in April, we have had the Quinquennial Survey (delayed by the pandemic) which assesses the condition of the church building. It has highlighted further works, some costly, which need to be done over the next 5 years. This offers us the opportunity to take a fresh look at what we, as a village church, are all about and how our church building can be best used to continue to serve the village of Marksbury and meet their needs as the challenges of the world start to affect us all.
As such we would love to hear from you –
What do you want from your village church?
How can we help you with the problems you face or the issues that are close to your heart?
What do you want to see the building used for?
Please do contact one of the Church Wardens or Revd Guy we'd love to hear from you. No idea is too small, no vision too great."

THREE TOWERS MUSIC FESTIVAL.

Held from 29th April to 1st May when various musical talents were shared with audiences.
A total of over **£1,100** was raised to share between our churches & Buskaid.

As Marksbury school said "it was lovely to be able to get together and celebrate through music once again. We were very lucky to be asked to return as the opening event for the festival and River Class have worked hard, with Vicky, to learn songs and percussion to perform at St Peter's Church. They had an amazing time and we are very proud of them."

River Class opening the Festival at Marksbury

Farmborough School opened events at Farmborough pupils performed range of musical activities which were enjoyed by all present before having tea & cake!!.

Thank you to both schools

Soup & Dessert lunches for Ukraine.

Farmborough Church & Hall communities working together held 8 lunches in April & May to raise funds for the DEC Ukraine appeal & as we write this, with 1 lunch to go, we have raised over **£1,700** however we're hoping to make £2,000 as there is a raffle on the last week!

On May 13th Councillor Shaun Stephenson-McGall who is the new Chair of Bath & North East Somerset Council 'cycled 'in, luckily he lives in Timsbury so not far, for his first engagement following his election the night before when he said…

"I hope to visit the various wards so I can obtain a better understanding of the richness and diversity of the communities of North East Somerset and Bath and pay tribute to those who volunteer to make our villages, towns and neighbourhoods such great places to live."

So it was suggested our lunches fitted this criteria & it was lovely he could see our village communities working together to raise funds for Ukraine.

Thank you all so much for your support whether through attending, cooking or helping.
It was lovely to see residents from across the Benefice supporting these lunches & we're sure as families from Ukraine join us in our villages they will be made to feel very welcome & host families supported if required.

Farmborough & Marksbury Schools

Take a look at their websites to find out more about life at our schools.
https://www.farmboroughchurchprimary.org.uk/
https://www.marksburyschool.org.uk/

The Christian Value focus this term is TRUST

Both schools have looked at what it means to trust someone and how we can be trustworthy people.

At Marksbury they shared the fable of 'The Fox and the Crow' and talked about true friendship.

During the rest of the term, they will be reminding themselves how to be trustworthy friends by not gossiping, and thinking about how we can decide what is news and what is just gossip. We will be asking the children to think about these four questions before they speak…
Is it true?
Is it kind?
Is it helpful?
Is it anything to do with me?
If they aren't sure about any of their answers to the above, then perhaps the 'news' is really gossip and shouldn't be shared.

The schools have been busy with a range of diverse activities.

Year 6 at Marksbury took part in **Bike to Bath.**
They started their bike ride on the cycle track in Saltford, and cycled along the cycle track all the way to Wellow. They were super safe and respectful cyclists, following all the safety rules they had discussed beforehand and they were very aware of other users of the track. This was the first time many of the children had cycled through the two tunnels - it was great fun! Following a picnic lunch at Wellow, they cycled back to Sandpits play park in Oldfield Park for a play in the sunshine and an ice cream. According to Google maps, they cycled approximately 16 miles ... not bad at all as most children (and the adults!) have not been on a long cycle ride for a while.

Well done to all of year 6 ... you are all Marksbury Stars.

At **Farmborough Foxes class** enjoyed a visit from an Outreach Team of Bath University Engineering students.
They had a workshop of STEM activities relating to sustainable energy and got to make their own turbine. It was a great afternoon and has hopefully inspired a few future engineers.

Spotlighting a brave life this month

St Petroc

Did you know that Padstow was named after St Petroc? (Pedroc-stowe,)

When the Romans left Britain in 410 AD they left a void. This allowed strongmen, warlords, and foreign invaders to take what they wanted from the peaceful locals. The Romano-British, proto–Christian Church was particularly vulnerable, and Christians moved from the east to the west of England where there was less danger from invasion. The coast of north Cornwall was a particularly favoured spot for early Christians to live, work and worship. It was in this area that so many early Christians are remembered through the names of villages and small churches for example, St. Mawes, St. Austell, St. Enodoc and St Endellion.

Very little is known of this 'Dark Age', so much classical knowledge was lost with the return to self-sufficient farming. However recent archaeological evidence shows that there were local pockets of skilful, artisan artwork. Rome and Constantinople continued to be major cultural cities, the western and eastern capitals of Christianity.

Saint Petroc (c. 468 – c. 564) was a British prince and Christian saint. Probably born in South Wales, he founded a monastery at Padstow. He was well-educated and travelled as far as Rome. After his death he was venerated as the pre-eminent Cornish saint and Bodmin became the major centre for his veneration when his relics were moved to the monastery there in the ninth century. There is a second ancient dedication to him nearby at Little Petherick or "Saint Petroc Minor".

there you will find an interview with Margot Sampson MBE has just stepped down as chair of The Children's Society Winscombe St James Fundraising Committee, after 23 years & much more about what is happening in the Diocese but this month I have included the letter from Rt Revd Michael Beasley who is the next Bishop of Bath and Wells.

New bishop announced

On 28 April 2022 Downing Street announced that the Rt Revd Michael Beasley will be the next Bishop of Bath and Wells.
Currently the Bishop of Hertford, prior to taking a fulltime role with the church, Bishop Michael was an epidemiologist, a background he was called on to use during the pandemic as a member of the Church of England's Covid task force.
He is already familiar with Somerset. His wife Lizzie is from a local farming family and before his interview for the role they both undertook a 60 mile walk around the county.

HAPPENS

Stress makes you believe everything has to happen immediately. Faith reassures you that everything happens in God's timing.

Guided by faith

By Michael Beasley, Bishop Elect, Diocese of Bath and Wells

Visits undertaken, trees planted, ambassadors welcomed, honours awarded, miles travelled! Just a fraction of what our Queen has done. When, on her 21st birthday, Elizabeth II pledged herself to our service her whole life long, she could scarce have imagined the commitment she was making.

What has enabled all the achievement that we celebrate in this year of the Platinum Jubilee? Her reign has seen joy and sorrow, triumphs and setbacks. The Queen gave an insight into what has seen her though in 2002 when she said:

“I know just how much I rely on my faith to guide me through the good times and the bad. Each day is a new beginning. I know that the only way to live my life is to try to do what is right, to take the long view, to give of my best in all that the day brings, and to put my trust in God … I draw strength from the message of hope in the Christian gospel.”

I’m inspired to be coming to Bath and Wells during this Platinum year that sees us celebrate the Queen’s steadfast service that flows from her Christian faith. Just as the young Elizabeth II couldn’t know what lay ahead as she looked to the future, neither can we. As we emerge from COVID, see war in Ukraine and confront a cost of living crisis we live in challenging times. To face our days we’ll need all the faith and experience, creativity and skills of everyone in Bath and Wells. Above all we have the hope of the Christian Gospel that has stood our Queen in such good stead throughout her long life. It’s the faith I’m looking forward to serving and celebrating with you as together we live and tell the story of Jesus.

Every blessing

Bishop Michael
